### We are proud to be a PCMH!

OHI is recognized as a **Patient Centered Medical Home**. We provide a health care system in which you and your family can conveniently get preventive services, see your personal physician the day you become sick and coordinate follow-up care if you are referred to the hospital or to another doctor.

Creating a partnership between our providers and patients, while improving the health care, education and support.

This includes:

- Bilingual Services
- Choice of Physician
- Chronic Care Management
- Individualized Care Plans
- Referral Department
- Social Services Assistance
- Direct Access to Your Medical Records
- Patient Support and Empowerment
